47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am asking that you keep the competition available!

I used to be an AT&T customer and truly appreciate the service available from other broadband service providers.

It is critical to our economy that competitors are left in the free market so big business don't monopolized a market.

I am a consumer in Sacramento and want to ensure broadband competition continues! I love my current provider and their services.
